THE PILGRIM

DISCGOLF

COURSE

THE PILGRIM is the longest and toughest version of the PŪČKORIAI Disc Golf Course (Vilnius). We've added three new holes and some additional OB areas to the standard "Orange" course layout.

THE PILGRIM - it's a MUST PLAY course for every disc golfer on his Disc Golf Pilgrimage before he/she joins "Steady" Ed Headrick.

On THE PILGRIM course you will climb hills, follow narrow footpaths, run on steep stairways, find your way through the woods, enjoy open fields, walk by the river... and maybe in the water too!

DISCLAIMER

- If TEE sign says "OB - asphalt" - it means, that asphalt is OB line, and everything behind asphalt is also OB.
- Only valid OB marking - white flags with DiscCity logo. And asphalt street as OB line. And the fence (on #4).
- HZ marking - yellow flags (on #5).

Pūčkorių street is a public street - all players MUST follow road traffic regulations (walking on the street always be on left side of the street)

DID YOU KNOW...

...that people lived in this area already at the beginning of our era?
...that Tee #12 is on 18 meters high Pūčkoriai Mound?
...the burned oak behind Tee #17 is more than 1000 years old?
...current President of Lithuania Gitanas Nausėda lives down Pūčkorių street in a glass house?
